Ross is *the* diva among divas. This over-the-top...thing... that she is wearing is so dramatic and glamorous. I think she has earned the right to don something like this - and those killer heels. If they were clear heels, it would be a bit stripper-ish. I'm not saying that Diana's shoes make her a stripper, they are just stripper-ish.

As for that...thing...I am going to get one just like it and wear it on New Year's Eve. I think I could pull it off.
